Dear Supervisors:

**APPROVAL OF AMENDMENT NO. 6 TO LEASE NO. 14766
DEL REY SHORES PERSONAL WAREHOUSES (Parcel 104R at 4201 Via Marina)
MARINA DEL REY
(FOURTH DISTRICT) (4 VOTES)**

SUBJECT

This Board letter requests approval of a Marina del Rey lease amendment for Parcel 104R (Del Rey Shores Personal Warehouses) that maintains all existing percentage rental rates and the square foot rental, adjusts the rental security deposit, and updates the insurance provisions.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed lease Amendment No. 6 is categorically exempt under the California Environmental Quality Act pursuant to class 1(r) of the County's Environmental Document Reporting Procedures and Guidelines.
2. Approve and authorize the Chairman of the Board to sign the attached Amendment No. 6 to Lease No. 14766, maintaining all existing percentage rental rates and square foot rental, adjusting the security deposit, and updating the insurance provisions for a ten-year term ending March 14, 2020.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Marina del Rey leases generally provide for the periodic review of leasehold rents and liability insurance coverage to ensure that the rental rates payable to the County are maintained at current fair market levels and that the amount of general liability insurance is adequate to protect the County's interests. County rents are typically computed as the greater of either a fixed minimum rent or the total of varying percentages of the lessee's gross receipts from users on the leasehold.

The Parcel 104R lease requires adjustment of rents on March 14, 2010 (2010 Rental Adjustment Date). Based on comparable rates at other Marina del Rey leaseholds, the Department of Beaches and Harbors has negotiated with the lessee to keep all percentage rental rates at their current levels: Dry Storage at 20% and Miscellaneous Sales at 5%. Additionally, there will be no change to the minimum rent adjustment provision as there is already an adjustment mechanism in place. The minimum rent will be adjusted on March 14, 2012 to an amount equals to 75% of the annual average of all rents payable by the Lessee for the immediately preceding three-year period.

Proposed Amendment No. 6 further provides that the rental security deposit will be maintained at an amount equal to one-fourth of the annual minimum rent under the Lease.

Additionally, Amendment No. 6 incorporates changes in the indemnity clause, insurance requirements and miscellaneous insurance to conform to the Chief Executive Office Risk Management Branch's new and more stringent requirements.

Implementation of Strategic Plan Goals

The recommended action will keep County percentage rent categories at Parcel 104R comparable to other Marina del Rey leaseholds and incorporates the new insurance provisions, in fulfillment of Strategic Plan Goal No. 1, "Operational Effectiveness", Strategy 1, "Fiscal Sustainability".

FISCAL IMPACT/FINANCING

There will be no fiscal impact from your Board's approval of Amendment No. 6.

Operating Budget Impact

There will be no operating budget impact as a result of this action.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Parcel 104R, commonly known as Del Rey Shores Personal Warehouses, is improved with 136 personal warehouse storage units on a .45 acre of land in Marina del Rey. The Lease was executed on March 15, 1969 and will expire on March 14, 2029.

This Amendment has been approved as to form by County Counsel. At its meeting of _____, the Small Craft Harbor Commission _____ the recommendation of the Director of the Department of Beaches and Harbors that your Board approve and execute the proposed Amendment No. 6.

ENVIRONMENTAL DOCUMENTATION

The proposed Amendment No. 6 is categorically exempt under the provisions of the California Environmental Quality Act pursuant to Class 1(r) of the County's Environmental Document Reporting Procedures and Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact on current services from your Board's approval of Amendment No. 6.

CONCLUSION

Please have the Chairman of the Board sign all three copies of Amendment No. 6 and have the Executive Officer of the Board return two executed copies, as well as a copy of the adopted Board letter, to the Department of Beaches and Harbors.

Respectfully submitted,

Santos H. Kreimann

County's additional insured status shall apply with respect to liability and defense of suits arising out of the Lessee's acts or omissions, whether such liability is attributable to the Lessee or to the County. The full policy limits and scope of protection also shall apply to the County as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

26.3 Cancellation of Insurance

Except in the case of cancellation for non-payment of premium, Lessee's insurance policies shall provide, and Certificates shall specify, that County shall receive not less than thirty (30) days advance written notice by mail of any cancellation of the Required Insurance. Ten (10) days prior notice may be given to County in event of cancellation for non-payment of premium.

- 26.4 **Failure to Maintain Insurance**
Lessee's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Lease.
- 26.5 **Insurer Financial Ratings**

TO MARINA DEL REY CONVENTION AND VISITORS BUREAU -
MARINA DEL REY**

The Marina del Rey Convention and Visitors Bureau (MdRCVB) is the official tourism promotion agency for Marina del Rey. It was established in 2001 as a private, non-profit organization contributing to the area's economic development by selling, marketing and promoting the Marina as a travel destination.

The MdRCVB provides support and information on tourism services and facilities to the public, travel agents, tour operators, meeting planners and the media. The Bureau also operates the Marina del Rey Visitors' Center, offering free information, maps and brochures about local hotels, restaurants, attractions, events and transportation.

The actions of the MdRCVB are guided by a board comprised of members of the representative hotel projects and members of the community. The SCHC provides one member of the commission to act as a member of the MdRCVB board. Currently, no alternate to that member exists.

Your Commission's selection of an alternative representative is requested.

The SCHC should select a member of the commission to act as an alternate in the event the current representative is unable to attend the MdRCVB board meetings. The term will be for calendar year 2012.

BOARD ACTIONS ON ITEMS RELATING TO MARINA DEL REY

On November 8, 2011, the Board adopted an amendment to the County Code, Title 2 – Administration, relating to the Small Craft Harbor Commission’s powers and duties, to specifically include the responsibility for making recommendations regarding proposed leases, concessions, and other agreements relating to the small craft harbor properties and facilities in Marina del Rey.

On November 15, 2011, the Board approved and instructed the Mayor to sign a Memorandum of Agreement with the U.S. Army Corp of Engineers (CORP) and the City of Long Beach for the Marina del Rey Maintenance Dredging Project. The Board also authorized the Director of Beaches and Harbors to negotiate and execute an agreement with the City of Long Beach to provide funding for additional Marina del Rey dredging and transportation of contaminated sediment to be implemented by the CORP.

On November 22, 2011, the Board authorized the waiver of fees in connection with the 49th Annual Holiday Boat Parade to be held in Marina del Rey on December 10, 2011: \$1,500 for the visitors' boat dock fees; \$860 community building use fee, \$150 alcohol fees, \$1,600 for staff parking, and \$19,925 for public parking for parade spectators, excluding the cost of liability insurance. The Board also approved a motion to request of the Director of Public Works, the waiver of fees in the amount of \$800 for boat parade fireworks, \$800 for New Year’s Eve fireworks and \$1,700 for street banners.

On November 29, 2011, the Board approved a lease amendment for Parcel 113S (Mariners Village) for the re-adjustment of rents, security deposit and insurance for a ten-year term ending January 31, 2018.

Also on November 29, 2011, the Board adopted a resolution to adjust the water rates for Calendar Year 2012 and authorized the Director of Public Works to amend the rules and regulations of the County Waterworks Districts and Marina del Rey Water System.

Also on November 29, 2011, the Board adopted the California Coastal Commission’s resolution of certification, including the terms or modifications suggested by the Commission; accepting and agreeing to the Commission’s approval of the Marina del

Rey Local Coastal Program (LCP) Amendment to the LCP, including, without reservation, all suggested modifications in the Commission's resolution of certification; and agreed to issue coastal development permits for the total area included in the certified LCP.

REGIONAL PLANNING COMMISSION'S CALENDAR

On November 16, 2011, the Regional Planning Commission heard an item to repeal the Plan of Bikeways, a sub-element of the Transportation Element of the General Plan, adopted in 1975 and subsequently amended, and to adopt the Bicycle Master Plan. The item also considered a Draft Environmental Impact Report (DEIR) pursuant to California Environmental Quality Act requirements. The DEIR concludes that this project, with the recommended mitigation measures, will not result in significant environmental impacts.

The Regional Planning Commission voted to defer a decision on the plan until January 11, 2012.

CALIFORNIA COASTAL COMMISSION CALENDAR

On December 8, 2011, the California Coastal Commission voted 11 to 1 to find no substantial issue on the appeal filed by WeAreMDR on the Holiday Harbor Courts (Parcel 21) Project. As a result, the Board of Supervisors' decision on the entitlements for the project is final.

VENICE PUMPING PLANT DUAL FORCE MAIN PROJECT UPDATE

The Court entered a judgment on September 26, 2011 consistent with the tentative ruling issued on July 28, 2011, which barred the City of Los Angeles from building a new 54-inch sewer main from Venice to Playa del Rey through unincorporated Marina del Rey when another comparable route along Pacific Avenue in city territory exists.

OXFORD BASIN PROJECT UPDATE

On October 4, 2011, the Board approved Oxford Retention Basin Multiuse Project proposal for inclusion in the State of California's Coastal Impact Assistance Plan to enable the County to fully receive and administer an estimated \$1,500,000 in funds from the U.S. Department of the Interior. DPW reported that the Sediment and Water Quality Characterization Study and the biological study have been completed. The Phase II soil investigation sampling was completed in September 2011 and draft findings were available November 30. 60% design plans have been completed and 100% design plans are expected to be done by February 2012. A consultant has been hired to start the environmental review process. The project is scheduled for completion in early 2014.
